

NMEF Road Runners Club

Welcome to the New Milford Education Foundation Road Runners Club (the “Club”), a USA Track & Field Member Club!

The Club was formed in 2013 by the New Milford Education Foundation, a not-for-profit corporation organized to support New Milford’s Schools and Students. Our mission is to promote broad participation in walking, running, and endurance sports across our community by way of various options such as host certified races, group exercise, training for major race events, and social events.

Membership Eligibility

Membership is open to anyone over 18 years old who wants to participate. We will be hosting numerous family events throughout the year and younger family members are always welcome.

Membership Fees

Our goal is to allow as many people to participate as possible. The fees we charge are designed to cover the costs of the program. Any excess over expenses is directly contributed to the New Milford Education Foundation.

In order to allow for the greatest level of participation, we have created three primary ways to participate.
